

SUMMER INTERNSHIP PROJECT 2023

Work Plan for Students

Company Joining (Within three days after the University Examination is over)

Week 1: To research the Industry sector and Company to find out the problem being faced in the current scenario. Decide on the Project Title by consulting your Faculty Guide

Week 2: To send a write up (500 words) about the problem identified and Description about the Company/ Industry sector (Report to FG on Email on Saturday)

Week 3 – Detailed analysis of the Customers, and Competitors. Report to the FG on E-mail.

Week 4 – Formulate the Research Objectives. Send the complete Synopsis work to your faculty guide

Note: There will be two categories of Best SIPPER Award. The FGs shall nominate one student for the Best SIPPER Award from out of their mentees. All the nominated students shall give a presentation on what they did and learn. Based on their Report, presentations, content, uniqueness, confidence and learning, the BEST SIPPER shall be chosen for award.

Nomination by FGs shall be based on their feedback on regular reporting, 3Cs report, SYNOPSIS, Final Report and overall behavior of the students during SIP.
